

Immigration Assessment Summary

British Columbia Score: 0

Nova Scotia Score: 0

Assessment Summary

Based on your current score, it appears that you have not yet submitted your application for permanent residence in Canada or have not been given the opportunity to participate in the points-based immigration assessments for British Columbia and Nova Scotia.

This does not affect your eligibility to apply to either of these provinces or other provinces for permanent residence. I recommend taking this as an opportunity to review the eligibility criteria and requirements for each province and to consider submitting an expression of interest or a complete application when you are ready.

You may also want to consider reaching out to the relevant authorities for specific details on application requirements, processing times, and next steps.
