

Immigration Assessment Summary

British Columbia Score: 0

Nova Scotia Score: 0

Assessment Summary

Dear Applicant,

We are pleased to provide you with a summary of your Express Entry profile assessment. Based on the information provided, your scores for British Columbia and Nova Scotia are both 0.

A score of 0 does not necessarily indicate ineligibility. It could be due to a variety of reasons such as the submission of an incomplete or invalid profile, or the lack of qualifying points for the chosen provinces.

At this stage, we recommend taking the following next steps to proceed with your application:

1. Review your profile to ensure all the required information is complete and accurate.
2. Consider exploring other provinces or participating jurisdictions that may be a better match for your qualifications.
3. Update your profile to reflect any new qualifications, education, or work experience that may impact your eligibility.
4. If you are unsure about the process or would like more information, we suggest consulting the official government websites or seeking guidance from a designated authority.

We will be unable to provide more information at this stage but you are free to continue with the application or choose a different route.

Sincerely,

Immigration Assessment Assistant.
